Purpose

To establish a process for the review and evaluation of requests for the appropriation and expenditure of funds pursuant to Chapter 151 of the Statutes of 1986 from the Automated Warrant System Fund.

Background

Chapter 151 of the Statutes of 1986 provides for the creation of an Automated Warrant System Fund. The statute provides for an assessment of seven dollars (\$7.00) on any person convicted of a violation of 853.7 P.C. or 40508 V.C. (Failure to Appear/Failure to Pay Fine). All funds are to be used exclusively for the development and operation of an Automated Warrant System. The fund is expected to generate approximately \$200,000 annually. To implement the provisions of AB 2989 the Board must adopt a resolution which authorizes the courts of the County to impose an assessment of seven dollars (\$7.00) pursuant to the provisions of the Act. In order that any requests and recommendations as to allocations of these funds may be considered in a uniform manner, a policy regarding their processing is proposed for adoption.

Policy

It is the Policy of the Board of Supervisors that:

- 1.The AB 2989 Advisory Committee is composed of one (1) representative of the Marshal, one (1) representative from each of the Municipal Courts, one (1) representative from the Superior Court, one (1) representative from the County Clerk, one (1) representative from the Chief Administrative Office who will be the chairperson, and one (1) advisory member (non-voting) from the Department of Information Services.
- 2.AB 2989 funds will be used to offset General Fund costs being incurred and for funding of new projects. The AB 2989 Advisory Committee will recommend priorities for those projects determined to be eligible and proposed for funding with AB 2989 funds.
- 3.The Committee will submit the list of projects recommended for AB 2989 funding to the Chief Administrative Officer (CAO) at the time in the budget cycle when the CAO reviews and evaluates all such budget requests.
- 4.When the foregoing reviews are completed, the Committee will prepare a consolidated listing of the projects being considered for funding with AB 2989 funds, and will forward the listing to the Chief Administrative Officer. A report with the Chief Administrative
